

*Journey Through Loss*  
*Virtual Bereavement Support Group*

By participating in the Journey Through Loss Virtual Support Group, you are agreeing that the confidentiality and privacy of all participants will be upheld. This is accomplished by ensuring the following:

- there is no one else present with you during the session who has not completed an intake process.
- you are in a private location.
- you are not taking screen shots or recording the session visually or audibly.
- you agree that if you leave the session without notice, we may follow up with you by phone or email.

***By clicking here, I agree to adhere to the above guidelines to participate in the Journey Through Loss Virtual Support Group.***
